The image shows the back of a black RugGear RG100 GSM digital mobile phone. The back cover is removed, revealing the internal components, including the battery, SIM card slot, and various electronic components. A ruler is placed horizontally below the phone for scale, showing measurements in centimeters. The phone's back cover is placed to the right of the phone, showing its internal structure. The phone's back cover has a label with the following information:

**RugGear®** GSM digital mobile phone
