

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

Solder Board-Component View 1	 A photograph of a small blue electronic component, likely a Bluetooth module, placed on a light blue textured surface. The component is positioned next to a black L-shaped ruler for scale. The ruler has white markings in millimeters and centimeters. The component is oriented horizontally, with its gold-plated pins visible on the right side.
Antenna View	 A photograph of the same blue electronic component, showing the antenna side. A red rectangular box highlights a specific area on the component, and a red line points from this box to a label. The component is placed on the same light blue textured surface next to the same black L-shaped ruler. The ruler's markings are visible, providing a scale for the component's size. BT Ant.
