

## **Wireless Dongle Kit V2 Quick Start Guide**

GLO-WDV2-MS-MB

GLO-WDV2-MS-MG

2.4 GHz lag-free wireless connectivity

Minimum Range: 5 meters

Operating frequency: 2405MHz-2476MHz

RF power :<=4.29dBm

Working temperature: 0-40°C

Setting Up:

To pair this dongle with your wireless Glorious mouse, run the Glorious Pairing Utility that can be downloaded from [www.gloriousgaming.com](http://www.gloriousgaming.com).

Support/Service:

If you have any questions or issues with your Glorious product, please do not hesitate to contact us.

General:

These terms shall be governed by and construed under the laws of the jurisdiction in which the Product was purchased. If any term herein is held to be invalid or unenforceable, then such term (in so far as it is invalid or unenforceable) shall be given no effect and deemed to be excluded without invalidating any of the remaining terms. Glorious reserves the right to amend any term at any time without notice.

### **FCC Statement**

This equipment has been tested and found to comply with the limits for a Class B digital device,

pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

Reorient or relocate the receiving antenna.

Increase the separation between the equipment and receiver.

Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.

Consult the dealer or an experienced radio/TV technician for help.

This equipment must not be co-located or operating in conjunction with any other antenna or transmitter. End-users and installers must be provided with antenna installation instructions and consider removing the no-collocation statement. This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Caution!

Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

#### **Canada Statement**

- English:

This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions:

This device may not cause interference.

This device must accept any interference, including interference that may cause undesired operation of the device.

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction

- French:

L'émetteur/récepteur exempt de licence contenu dans le présent appareil est conforme aux CNR d'Innovation, Sciences et Développement économique Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes :

L'appareil ne doit pas produire de brouillage;

L'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

L'appareil a été évalué pour répondre aux exigences générales d'exposition aux RF. L'appareil peut être utilisé dans des conditions d'exposition portables sans restriction

## **SIMPLIFIED EU DECLARATION OF CONFORMITY**

The simplified EU declaration of conformity referred to in Article 10(9) shall be provided as follows:

Hereby, Glorious LLC declares that the radio equipment Dongle Kit V2 is in compliance with Directive 2014/53/EU.

The full text of the EU declaration of conformity is available at the following internet address: <http://www.gloriousgaming.com>

### **RF Exposure Statement:**

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction

## **WASTE ELECTRICAL AND ELECTRONIC EQUIPMENT INFORMATION (ENGLISH)**

Correct Disposal of This Product (Waste Electrical & Electronic Equipment) (Applicable in the European Union and other European countries with separate collection systems) This marking shown on the product or its literature, indicates that it should not be disposed with other household wastes at the end of its working life. To prevent possible harm to the environment or human health from uncontrolled waste disposal, please separate this from other types of wastes and recycle it responsibly to promote the sustainable reuse of material resources. Household users should contact either the retailer where they purchased this product, or their local government office, for details of where and how they can take this item for environmentally safe recycling. Business users should contact their supplier and check the terms and conditions of the purchase contract. This product should not be mixed with other commercial wastes for disposal.

Due to the limitation of product size, the product certification information is printed on the outer package, please see as below:

FCC ID: 2AXP2-DK22

IC: 26530-DK22

Manufacturer's Name: Glorious LLC

Product Name: Dongle Kit V2

Trade Mark: GLORIOUS

Model number: Dongle Kit V2

This device is in compliance with the essential requirements and other relevant provisions of Directive 2014/53/EU. All essential radio test suites have been carried out. The device complies with RF specifications when the device used at 5mm from your body. The product shall only be connected to a USB interface of version USB2.0

**RF Secification:**

Function	Operation Frequency	Max RF output power:	Limit
GFSK	2405 MHz -2476 MHz	4.29 dBm	20 dBm.

This product can be used across EU member states.

Manufacturer's Name: Glorious LLC

Product Name: Dongle Kit V2

Trade Mark: GLORIOUS

Model number: Dongle Kit V2

This device in compliance with the essential requirements and other relevant provisions of UK Radio Equipment Regulations (SI 2017/1206). All essential radio test suites have been carried out. The product shall only be connected to a USB interface of version USB2.0

**RF Secification:**

Function	Operation Frequency	Max RF output power:	Limit
GFSK	2405 MHz -2476 MHz	4.29 dBm	20 dBm.
