

A white Samsung USB charger and a white USB cable are shown on a green cutting mat. The charger is a compact, rectangular white plastic device with two gold-colored USB-A ports on top. The front of the charger features the 'SAMSUNG' logo, a QR code, and various regulatory markings including CE, FCC, and USB. The USB cable is white and has a coiled section in the middle. It has a gold-colored USB-A connector on one end and a gold-colored USB-B connector on the other. The background is a green cutting mat with a white grid pattern and numerical markings along the edges.
