

Correspondence Summary Questions and Answers

June 3, 2003

SUBJECT: TOPAZ3, LLC - FCC ID: O7KSD-164

~~~~~

TCB Q-3: User's Manual p8/22 - Part 90.203(e): Frequency programming capability: It does not say explicitly that the programming software and cable cannot be provided to the end-user. Please review accordingly or provide an attestation of compliance with this section.

Applicant A-3: The manufacturer only provides the programming capability to the dealer – this information is NOT provided to the end user.
