

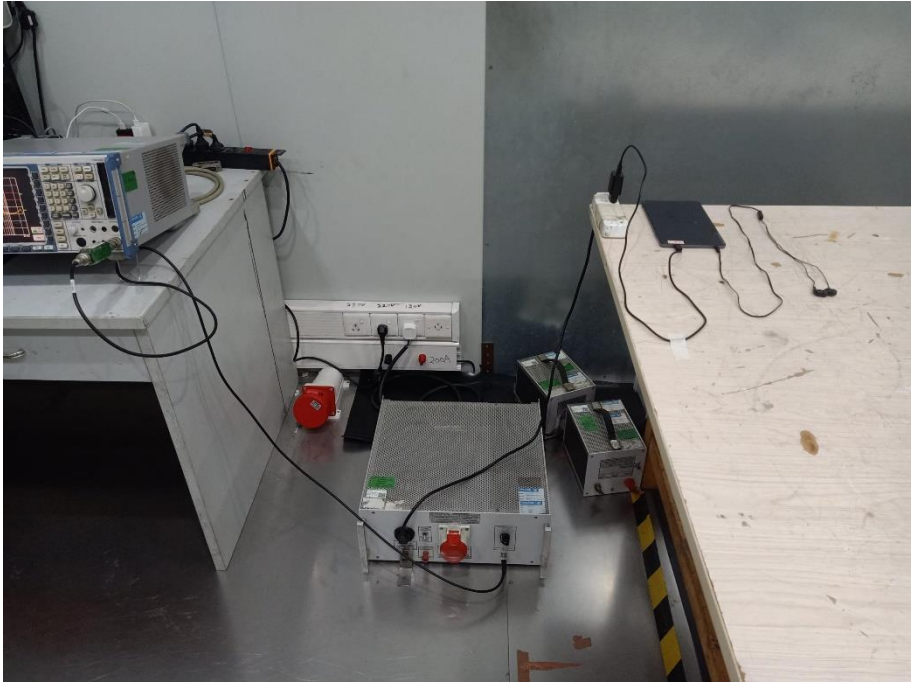

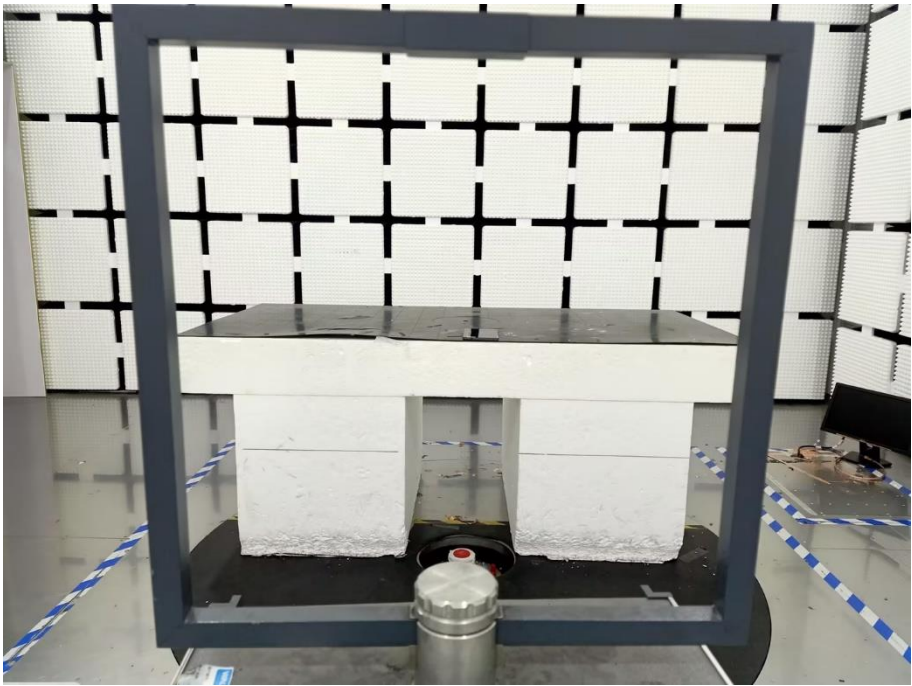

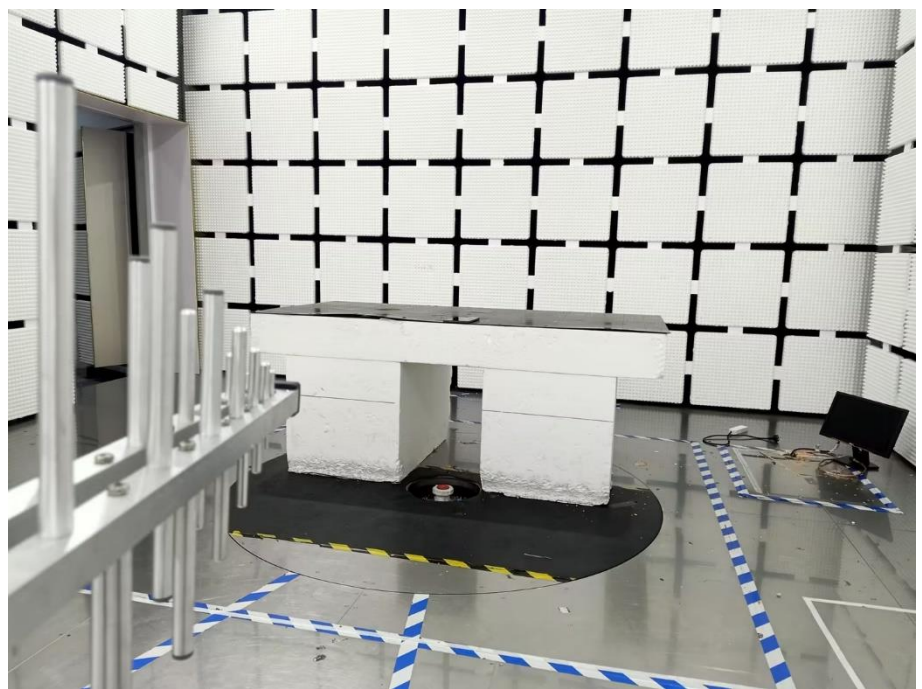

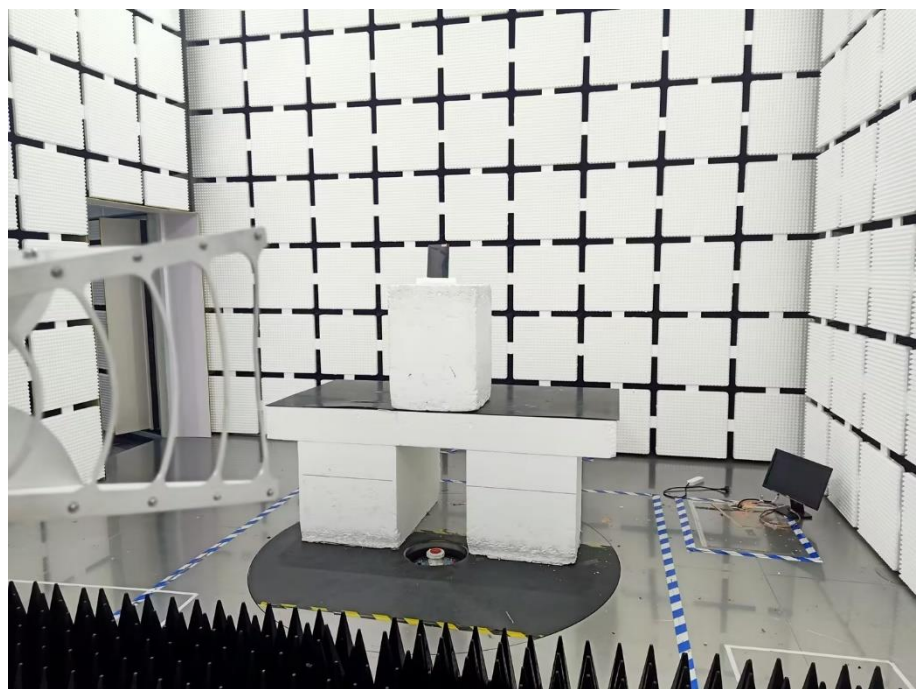

EXHIBIT 4 - TEST SETUP PHOTOGRAPHS

Conducted Emission Test Setup	 A photograph showing a laboratory setup for conducted emission testing. On the left, a piece of electronic equipment with a screen and various knobs is on a white bench. Cables connect it to a power supply unit and other components on the floor. A wooden workbench on the right has more cables and a small electronic device. The floor is dark and reflective.
Radiation Emission Test Setup (Below 30MHz)	 A photograph of a radiation emission test setup. A large, dark blue metal frame stands in the center. Inside the frame, a white rectangular object is placed on a stand. The background consists of white panels with black cross-shaped patterns. Blue and white striped caution tape is visible on the floor around the base of the frame.

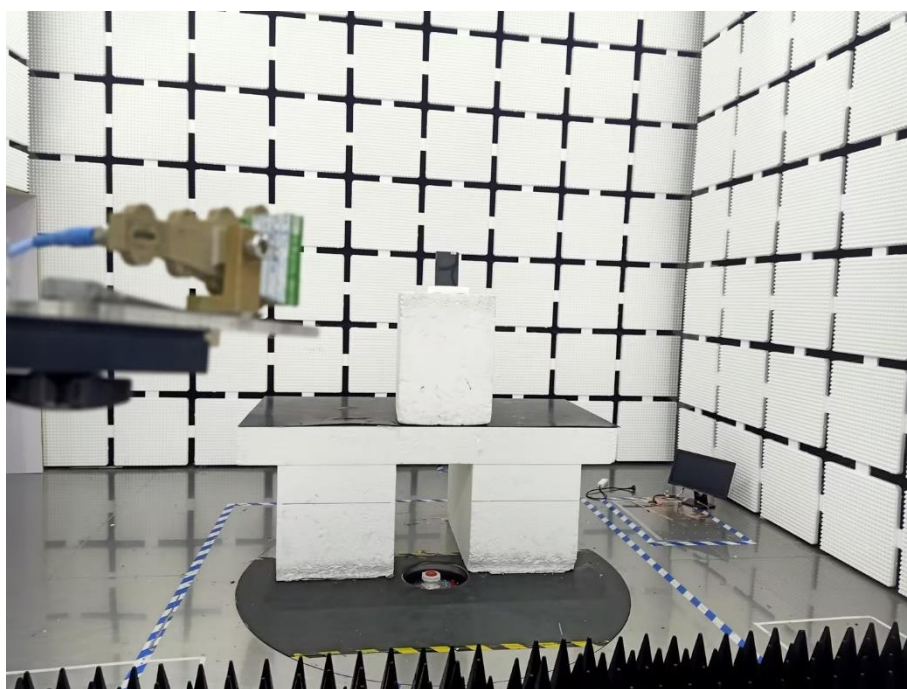

**Radiation Emission
Test Setup (30MHz to1GHz)**

**Radiation Emission
Test Setup (1GHz to18GHz)**

**Radiation Emission
Test Setup (Above18GHz)**

*** Means' only test and setup for PART 15C .**
