Dear Tim,

Regarding your recommendation, the reply is as following.

1. I had uploaded attachment to ATCB website.
2. Please refer to the bottom of page 2 of user's manual as below. Is it acceptable? The statement is in user's manual of similar product without any problems.

FCC Statement:

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Any changes or modifications not expressly approved by the party responsible for compliance could void the authority to operate equipment.

3. It is peak data. Please refer to remark 7 of page 17 in test report.
4. Client does not ask confidentiality.

Best Regards,

Joanna
