

RE: Danlaw Inc.
FCC ID: 2AD9I9310047DUALRSU
ATCB031214

The following is in response to the comments made on the above referenced application.

Please clarify if the digital device portion of the EUT will be authorized under SDoC or certification (please note that if it is the latter, an additional report will be needed – see comment 6a, below).

The digital device portion of the EUT will be authorized under an SDoC and this data has been removed from this report.
