Re: Change in FCC ID application for FCC ID: MMAMXT90

To whom it may concern:

We are submitting an application for Change in FCC Identification for our FCC ID: MMAMXT90.

Midland Radio Corporation (Grantee Code: MMA) requests a change of identification for equipment MMAMXT105, which was granted on 23 June 2016. This equipment will have no changes in the design, circuitry, or construction, and the original test results will continue to be representative of and applicable to the equipment. The cosmetic changes made to the equipment consist of modifying the product label to reflect the new model number and FCC ID that Midland would like to use moving forward, no other items have been altered.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jeff Brame', with a long horizontal flourish extending to the right.

Jeff Brame
Director of Engineering
Midland Radio Corporation
