EUT View 3	 A photograph of a white, cylindrical electronic unit (EUT) against a blue background. The unit has a smooth upper half and a lower half covered in a fine grid of small circular perforations. A metal ruler is placed vertically to the left of the unit, showing its height is approximately 15 cm. The unit is positioned slightly to the right of the ruler's edge.
EUT View 4	 A photograph of the same white, cylindrical electronic unit from a slightly different angle. The unit is white with a perforated lower section. A metal ruler is placed vertically to the left of the unit, showing its height is approximately 15 cm. The unit is positioned slightly to the right of the ruler's edge.

EUT View 5	 A photograph of a white, cylindrical electronic unit (EUT) against a blue background. The unit has a smooth upper half and a lower half covered in a fine grid of small circular perforations. A small, dark circular feature is visible on the lower half. A metal ruler is placed vertically to the left of the unit for scale, showing measurements in centimeters.
EUT View 6	 A photograph of the same white, cylindrical electronic unit from a slightly different angle. The unit features a smooth upper half and a lower half with a fine grid of small circular perforations. A metal ruler is placed vertically to the left of the unit for scale, showing measurements in centimeters.
