### SAFETY WARNINGS: PLEASE READ BEFORE USE

- Not a children's item. Keep out of reach of children.
- Use this item only for its intended purpose.
- Place this item on a hard-flat surface away from liquids.
- For indoor use only.
- Do not expose to sunlight for extended periods of time.
- Do not expose to extreme temperatures or moisture.
- Thoroughly inspect products before every use. If the product appears worn, frayed/splintered, cracked, or broken in any manner, discontinue use and discard immediately.

### KEEP THIS INSTRUCTION MANUAL AS IT CONTAINS IMPORTANT INFORMATION FOR FUTURE REFERENCE.

Due to continuous product improvements, the picture on the manual may differ slightly from the actual product.

# WIRELESS CHARGING SPEAKER DOCK

## SPEAKER FUNCTIONALITY

### FRONT PANEL

- A. Microphone – Used during calls. Located under the device shelf.
- B. Minus – Press to decrease volume.
- C. Play Pause - Press to pause/play music. Music will pause automatically when a call is incoming. Press to answer a call and press again to end a call.
- D. Plus – Press to increase volume. There will be an audible tone when the speaker reaches its maximum volume.

### REAR PANEL

- E. Auxiliary – Use to play music through your auxiliary supported devices. Auxiliary input only.
- F. Adapter Power Port – Plug in the adapter for power.
- G. Bluetooth® Power – Long press to turn on and long press again to turn off.

## CONNECTING YOUR DEVICE

1. Make sure no other device is connected to the speaker dock.
  2. Enable Bluetooth® on your device.
  3. Long press the Bluetooth® Power Button on the unit. You will hear a tone
  4. On your device, search for Bluetooth® devices and select "SI DOCK SPEAKER" – you will hear a tone when the device is paired.
  5. You are now ready to stream your favorite music.
- Note: Volume is controlled by both your device and the speaker dock. Check your device's volume if the volume is too low.

**WARNING:** Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

**NOTE:** This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/ TV technician for help.
- This equipment complies with FCC RF radiation exposure limits set forth for an uncontrolled environment.
- Caution: To maintain the compliance with the FCC's RF exposure guideline, place the Wireless Charging Stand at least 20 cm from nearby persons.
