

Declaration Letter of professional install

Date: September 5, 2018

UL Japan, Inc.
4383-326 Asama-cho, Ise-shi,
Mie 516-0021 Japan

FCC ID : AK8FLE01WBM
Applicant: Sony Corporation

To whom it may concern:

Please be advised Wireless LAN + Bluetooth module, model: FLE01WBM is designed to be mounted in mobile equipment by us professionally.

The channel setting is done by the software of the host device, and the channel usage is limited per the condition of acceptability for intended countries. End user cannot change this setting.

Therefore, it complies with the antenna and transmission system requirements of § 15.203.

Thank you for your attention to this matter.

Sincerely,

Hideo Nomura
Sony Global Manufacturing & Operations Corporation
