---

**RFID Module**

MODEL NUMBER: M333688D001

---

## **FEDERAL COMMUNICATIONS COMMISSION (FCC) COMPLIANCE:**

*FCC ID: LF5-M333688D001*

- This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
- The FCC regulates marketing, sale and importation of radio frequency (RF) devices. When importing an RF device the importer or ultimate consignee, or their designated broker, may be required to declare that the RF device meets the FCC importation conditions under Title 47 of the Code of Federal Regulation (CFR) Section 2.1204. See *KDB 997198 Importation Guidelines for more details*.
- The host product manufacturer is responsible for ensuring that the final product with the module installed and fully operational complies with all applicable FCC equipment authorizations regulations, requirements and equipment functions. Refer to *CFR Title 47 Part 2 Subpart J Equipment Authorization Procedures, and KDB 784748 D01 V07 Labeling Guidelines*.
- The antenna must not transmit simultaneously with any other antenna or transmitter, except in accordance with FCC multi transmitter product codes.
- Separate approval is required for all other operating configurations, including portable configurations with respect to CFR Title 47 Part 2.1093 and different antenna configuration.
- Any changes or modifications of this product, not approved by manufacturer will void the user's authority to operate the equipment.
- The antenna must be installed such that it is a distance of at least 20 cm (7.9 in) between the antenna and users.
- The module will only be installed in mobile applications as defined by part 2.1091(b).

## **INDUSTRY CANADA COMPLIANCE:**

*IC: 3408D-M333688D001*

- This device complies with Industry Canada license-exempt RSS standard(s). Operation is subject to the following two conditions: (1) this device may not cause interference, and (2) this device must accept any interference, including interference that may cause undesired operation of the device.
- Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes : (1) l'appareil ne doit pas produire de brouillage, et (2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

The following statements must be on the label or the manual of the host device:

- "This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with a distance of at least 20 cm between the radiator and your body. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter."
- "This device complies with Industry Canada license-exempt RSS standard(s). Operation is subject to the following two conditions: (1) this device may not cause interference, and (2) this device must accept any interference, including interference that may cause undesired operation of the device."
- "Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes: (1) l'appareil ne doit pas produire de brouillage, et (2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement."

The following statements must be on the label of the host device:

- "Contains FCC ID: LF5-M333688D001"
- "Contains IC: 3408D-M333688D001"
