

APPENDIX 1- EUT PHOTO

Model: D35

Photo 1

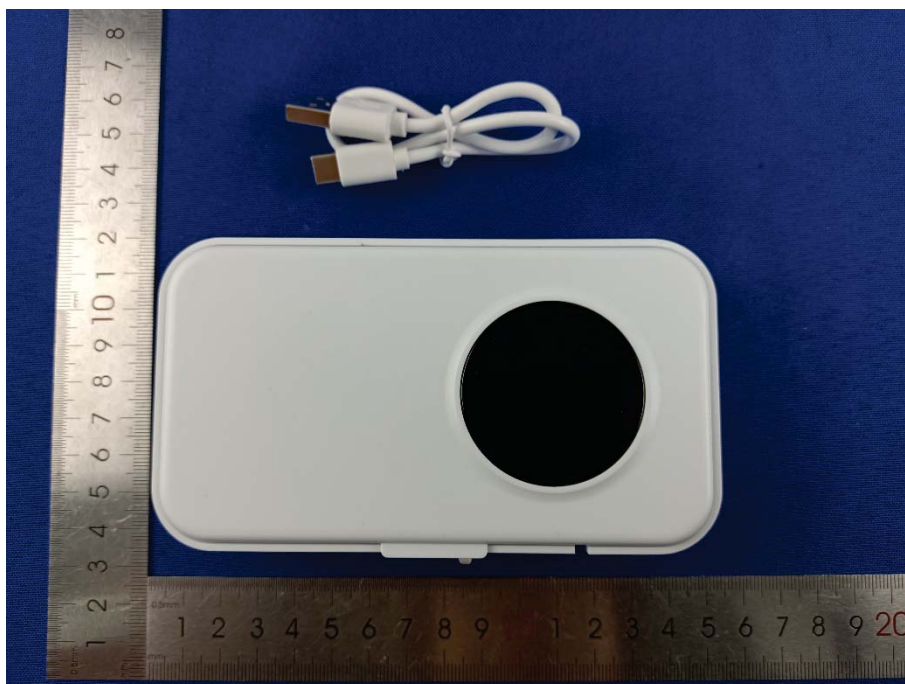

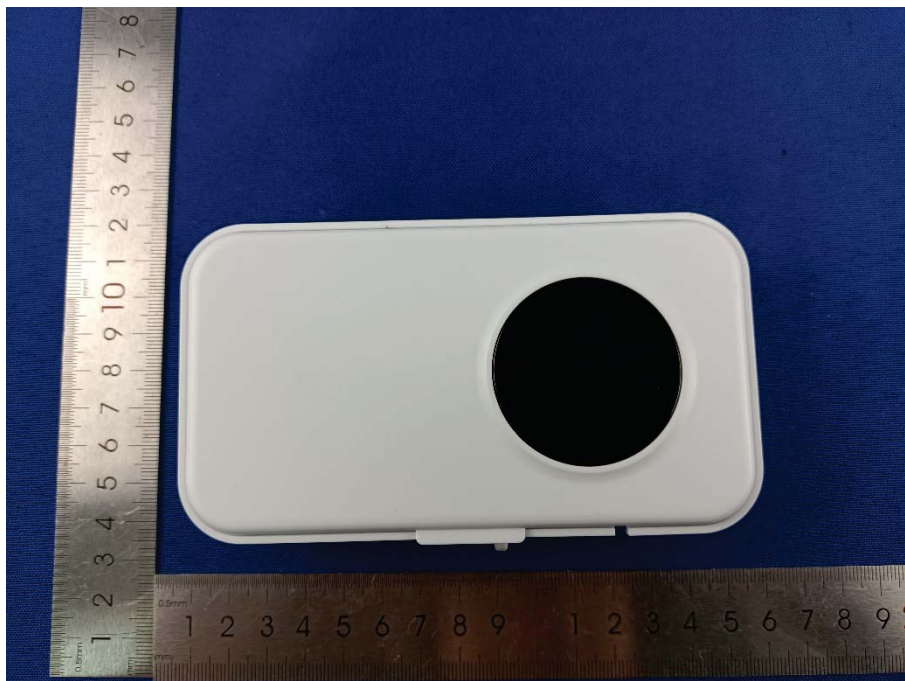

Photo 2

The image shows a white, rectangular, portable electronic device, likely a digital scale, placed next to a ruler for scale. The device has a small black label on its front face with the following text and symbols:

- Product Name: Digital Scale
- Product Number: 1234
- Model: 1234
- MADE IN CHINA
- CE, RoHS, and other certification marks.

The ruler indicates the device is approximately 10 cm wide and 5 cm high.

A white, rectangular electronic device, possibly a sensor or a small actuator, is shown on a blue surface. The device has a black circular feature on its top face. On the front face, there is a small circular button, a small hole, and a larger rectangular port. A ruler is placed next to the device for scale, indicating its size is approximately 4 cm wide and 2 cm high. The ruler has markings in centimeters and millimeters. The device is white with a black circular sensor on top. The front face has a small circular button, a small hole, and a larger rectangular port. The device is placed on a blue surface next to a ruler for scale.
