

Solder Board-Component View 1	 A photograph showing a small, rectangular, yellowish component with two thin wires (one red, one black) attached. The component is placed on a blue textured surface. A black L-shaped ruler with white markings is positioned next to it for scale. The ruler shows measurements in millimeters, with the component being approximately 10mm wide and 5mm high.
Solder Board-Component View 2	 A photograph showing the same component from a different angle, highlighting its green underside and the solder connections. The component is placed on the same blue textured surface. A black L-shaped ruler with white markings is positioned next to it for scale. The ruler shows measurements in millimeters, with the component being approximately 10mm wide and 5mm high.
