

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

EUT Housing and Board View 1	 A photograph showing the EUT housing and board from a top-down perspective. The housing is black and has four circular openings. The board is green and has four circular pads. A black ruler with white markings is placed next to the housing and board for scale. The ruler shows measurements in millimeters and centimeters.
Solder Board-Component View 1	 A photograph showing the solder board-component from a top-down perspective. The board is green and has four circular pads. The solder is visible on the pads. A black ruler with white markings is placed next to the board for scale. The ruler shows measurements in millimeters and centimeters.

Solder Board-Component View 2	 A photograph of a green PCB component, labeled 'PLT004' and 'CORE', placed on a blue textured surface. A black L-shaped ruler is positioned next to the component for scale. The ruler has markings in millimeters (0 to 100) and centimeters (0 to 10). The component is a small, rectangular PCB with several circular pads and a central chip. The text 'PLT004' and 'CORE' are visible on the component.
Antenna View	 A photograph of the same green PCB component, labeled 'BT Antenna', placed on a blue textured surface. A red line points from the label 'BT Antenna' to the component. The component is a small, rectangular PCB with several circular pads and a central chip. The text 'BT Antenna' is visible on the component.
