PROFESSIONAL INSTALLATION **ATTESTATION**

Date: 2020-04-10

FCC ID: NKR-TR1V1-IDU

To whom it may concern,

We, **Wistron NeWeb Corporation** declare that this booster, **FCC ID: NKR-TR1V1-IDU**, is designed specifically for enhancing the 5G NR signal strength for our subscriber who is experiencing poor signal reception and is not for sale to the general public. Since installation is case by case determined and it requires knowledge of our network handshake protocol between each network component and where the best location/orientation for installing the booster is, **ALL** installations therefore must be done by a professional installer. We hereby declare that this device will be installed by a professional installer only and will not be sold to the general public. Thank you and please contact us if you should have any question(s).

Sincerely yours,

Angela Lin / Project Manager / Project Management Dept.
