To Whom It May Concern,

Pursuant to the provisions of Sections 0.457 and 0.459 of Commission's rules (47CFR§§0.457, 0.459), we are requesting the Commission to withhold the following attachment(s) as confidential document from public disclosure indefinitely.

- Block Diagram
- Schematic Diagram
- Part List
- Operation Description
- Tune-up Procedure

Above mentioned documents contain detailed system and equipment descriptions that are considered proprietary information. The public disclosure of above documents might be harmful to our company and would give competitors an unfair advantage in the market.

In additional to the above-mentioned documents, pursuant to Public Notice DA 04-1705 of the Commission's policy, in order to comply with the marketing regulations in 47 CFR §2.803 and the importation rules in 47 CFR §2.1204, while ensuring that business sensitive information remains confidential until the actual marketing of newly authorized devices. We request the commission to grant short-term confidentiality request on the following attachments for **180 days** after the grant as outlined in Public Notice DA 04-1705.

- External Photos
- Internal Photos
- Test Setup Photos
- User Manual

It is our understanding that all measurement test reports, FCC ID label format and correspondents during the certification review process cannot be granted as confidential documents and those information will be available for public review once the grant of equipment authorization is issued.

Best Regards,
