

Model Declaration Letter

For Remote Controller:

The circuit principle of model 6100009724 and model 6100009725 of the remote controller is the same, except that the printed icon on the remote control panel is different.

For Intelligent Toilet:

The circuit principle is the same for all three models(R60-P, R60-S and R60-E). Compared to the R60-P, the R60-S lacks the Deodorizing and temperature Display functions. The R60-E, in addition to missing these functions, also lacks the Auto Opening and Closing Seat and Lid function.
