BT / WiFi Antenna

The image shows the internal components of a device, specifically the area for the BT and WiFi antenna. A yellow rounded rectangle highlights the antenna area. Below the antenna area, a ruler is visible, showing measurements in centimeters (10, 20, 30) and inches (20°C / 68°F). The text 'BT / WiFi Antenna' is written in a yellow box with a line pointing to the antenna area.
