Label Location Declaration

We, **Sierra Wireless Inc.**, state that there is no other space for putting the label on our device, **FCC ID: N7NHL78M** and **IC: 2417C-HL78M**, since our device is a module which is so small and it is impractical to label it with a font size of 4 point or larger while electronic labelling is not applicable. According to KDB# 784748 D01, we have placed the labelling information in the user manual and device packaging alternatively.

If you have any question regarding the declaration, please don't hesitate to contact us. Thank you!

Sincerely yours,

Denise CHABOT
