Subject: FCC ID labeling on EOA-24GSERR312 wireless hearing aid

Re: Response to Inquiry to FCC (Tracking Number 775017)

To whom it may concern,

Consistent to the direction provided on a previous similar product via your July 12, 2010 Response to Inquiry to FCC (Tracking Number 775017) concerning approval by the FCC for alternate labeling to our hearing aid under CFR 2.925(f), we are placing the FCC ID for the EOA-24GSERR312 wireless hearing aid in the User Manual documentation and on the device package. Consistent to the direction provided on the earlier product, we are including the following documents with our submission for Certification of Starkey's wireless hearing aid having an FCC ID of EOA-24GSERR312.

- The FCC Response to Inquiry to FCC (Tracking Number 775017)
- Supporting documents similar to those associated with that Inquiry
 - Figure 1 below showing curved nature, relative size, and available printed area and FCC ID of EOA-24GSERR312 hearing aid.
 - The relevant documentation showing the alternate FCC ID marking location and other Part 15 required wording.
