Wistron NeWeb Corporation

FCC Class II Permissive Change Request Letter

Date: 2016.11.14

To FCC:

RE: FCC Permissive II Change Request for Company: Wistron NeWeb Corporation FCC ID: NKR-DFCN4

We are submitting an application for a class II permissive change to the FCC approval of the Company name: Wistron NeWeb Corporation, product description: NFC Module (FCC: **NKR-DFCN4**, Original Grant Date: Feb 07, 2014). The transmitter module itself has not changed. Here are the changes:

1. The intention of this application is to install the certified module to host system of Tablet (Host Brand/Model: HP/HSN-I06C)
2. Loop Antenna
 - a. ACON
 - b. YAGEO

Sincerely,
