To whom it may concern,

Attestation Statement

Telensa hereby attest that the schematic, file name 6LP1504 schematic XYD-2NXD v02, supplied for the original equipment certification of T2A1N-G-3 product, "Telecell with location and dimming", FCC ID: XYD-2NXD, remains valid for the modified equipment submitted under this Class II permissive Change application. No modifications to the schematic were necessary for the changes made.

Yours faithfully,

Will Gibson
