Re: Request for confidentiality

Applicant: BI Incorporated

FCC ID: CSQ-LC800A

To whom it may concern,

Short-term Confidentiality

Request is hereby submitted by BI Incorporated to withhold from public review for a period of 180 days from the date of the Grant of Equipment Authorization and prior to marketing, certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR 0.457(d) and 0.459 of the FCC Rules. In particular, the following sections of the application are to be kept confidential for a period of 180 days from the date of Authorization:

- Test setup photos
- External photos (NOTE: External photos can only be held for short-term confidentiality)
- Internal photos
- User manual

Rationale for request for confidentiality:

BI Incorporated has invested considerable time and materials in research and development to produce the referenced product. Disclosure of the short-term confidential portions of this application during the period of importation and/or distribution would reveal key aspects of proprietary technology to competitors and diminish the value of our investment in research and development.

Sincerely,

Victor Rompa
Director Product Development and Strategic Planning
