

## Letter of Declaration

We, Rollease Acmeda Inc, hereby declare that the Pulse PRO Hub will be manufactured under different model numbers with two color codes. All models are the same product / identical in all materials and components used in electrical and mechanical construction design with the following exceptions:

- Model Number, Model Description and Brand/Trade Name on the product label
- Color Code (Available in White: 067 and Black:050)

We confirm that these variations do not affect the performance and functionality of the Pulse PRO Hub:
