A photograph of a disassembled smartphone, likely an iPhone 12, showing the internal components. The device is laid flat on a white surface. A black ruler with white markings is placed vertically to the right of the device for scale. The internal components include a green logic board with various chips and components, a large silver battery, a copper-colored metal shield, and a camera module. The logic board has labels such as "QAD001923" and "QAD001923". The battery has a label "QAD001923". The camera module has a label "QAD001923". The device is oriented vertically, with the top of the phone at the top of the image.
