Request for Tech. Info.: 2/27/03

Dear Steve:

Transmitted herewith, on behalf of **AirPrime, Inc.** is an amendment provided in response to the request for technical information dated, February 27, 2003.

1. Please find the attached complete installation and user's manual.
2. Please find the attached SAR data summary table listing the maximum SAR values per mode, band, host, and distances to the phantom.
3. The applicant intends for the antenna of the device to be operated as described in the user's manual. SAR tests performed on the "antenna in" position are for informational purposes only.

If you have any further questions, please do not hesitate to contact us.

Randy Ortanez
President
