

Description of Permissive Change

The report is prepared for FCC class II permissive change. The differences compared with original report are listing as below:

1. Converting the DTS filing from 15.247 to 15.407 under new rule
2. Updating U-NII-1 band filing to under new rule.
3. Adding one PIFA antenna
4. Decrease power of 2.4G by updating software.

Please refer to test repots for more details about the test items.
