FCC ID: K7SWIA007

To the attention of
Federal Communications Commission
Authorization and Evaluation Division

Permanent Confidentiality Request

Request is hereby submitted by Belkin International, Inc to withhold permanently from public review certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR 0.457(d) and 0.459 of the FCC Rules. In particular, the following sections of the application are to be kept permanently confidential:

Schematic(s)
Block Diagram(s)
Operational Description

In addition we also request the following sections of the application are to be kept short term confidential for a period of **180** days from the date of Authorization:

User manual
Test setup photos
External photos
Internal photos

Rationale for request for confidentiality:

Belkin International, Inc has invested considerable time and materials in research and development to produce the referenced product. Disclosure of the permanently confidential portions of this application to competitors would give them significant competitive advantages in developing similar products. Disclosure of the short-term confidential portions of this application during the period of
