

©PlayFusion

Manufactured by TOMY

Color and contents may vary. All Rights Reserved.

Toys made in China. Cards made in Belgium.

Please retain all product information for future reference.

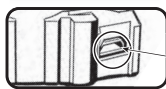

IMPORTANT: Remove any plastic attachments and packaging before giving to children.

Conforms to the safety requirements of ASTM F963.

IMPORTANT:

- The FusionCore contains a built-in, non-replaceable lithium-ion battery (3.7 V 300 mAh). Lithium-ion batteries deteriorate and their life span will shorten after repeated use. This is not a malfunction of the product.
- Regularly inspect the toy for any damage to the USB port, enclosure, or other parts.
- Proper disposal of lithium-ion battery: When disposing the lithium-ion battery, turn the switch of the FusionCore to the "O" position and dispose of the entire FusionCore by taking it to a recycling center or hazardous waste disposal facility. Note that the electronic function of the figure will no longer work once the FusionCore is removed.
- If battery leakage occurs, avoid contact with skin. If contact occurs, immediately wash thoroughly with soap and water. If liquid leaking from a battery comes into contact with your eyes, immediately flush thoroughly with water and see a doctor.

U.S. FCC Warning: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) This device must accept any interference received, including interference that may cause undesired operation.

EC DECLARATION OF CONFORMITY

TOMY hereby declares that "Lightseekers FusionCore" is in conformity with the relevant community harmonized legislation as detailed below:
2009/48/EC, EC No 1907/2006, 2006/66/EC, 2014/30/EU, 2011/65/EU, EN71, EN62115, EN55014-1, EN55014-2, EN60958-1, EN61333.

Signed for and behalf of TOMY (the manufacturer):

Place of issue: Exeter, EX2 5AZ, UK
Date of issue: 30-Nov-2016

Name: Kevin Head
Function: Head of Product Integrity

- To avoid battery leakage:
 - Do not expose battery to excessive physical shock, vibration, or liquids.
 - Do not disassemble, attempt to repair, or deform the battery.
 - Do not dispose of battery in a fire.
 - Do not touch the terminals of the battery or cause a short between the terminals with a metal object.

IMPORTANT:

- Make sure not to pull on the USB cable as it can be damaged.
- Do not wind USB cable around fingers.
- This product uses 2.4 GHz frequency. In order to prevent interference, do not use near pacemakers or other electronic devices or equipment.

This device complies with Industry Canada licence-exempt RSS standard(s). Operation is subject to the following two conditions: (1) this device may not cause interference, and (2) this device must accept any interference, including interference that may cause undesired operation of the device.

Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes: (1) l'appareil ne doit pas produire de brouillage, et (2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

This equipment complies with Industry Canada radiation exposure limits set forth for an uncontrolled environment.

Cet équipement est conforme à l'exposition aux rayonnements Industry Canada limite établies pour un environnement non contrôlé.

GETTING STARTED

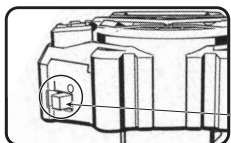

1 Install the Lightseekers game on your mobile device: lightseekers.com/download

2 Enable Bluetooth on your mobile device.

3 Launch Lightseekers game.

4 Remove the back cover from your Hero and insert your FusionCore.

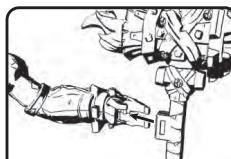

5 Turn on the FusionCore by moving the ON/OFF switch to the "I" position

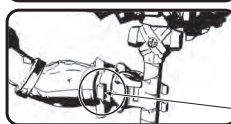

ON/OFF switch

6 Pair your Hero with the Lightseekers game using the in-game prompts.

7 Your Hero will instantly appear in the game and light up.

8 Place your weapon securely in either of your Hero's hands. The weapon will light up and instantly appear in the game.

9 To remove the weapon, pull and hold the release lever in the direction of the weapon, then remove the weapon from your Hero's hand.

release lever

USING YOUR CARDS

Using the camera icon in the Lightseekers game, scan the included AR trading cards for in-game bonuses and augmented reality effects. These cards can also be played in the Lightseekers Trading Card Game.

- 1 HERO CARD** – Exclusive to the starter pack, this card represents the Hero you've chosen and offers AR effects and rewards.
- 1 ITEM CARD** – Exclusive to the starter pack, this card represents your Hero's weapon and offers AR effects and unlocks.
- 3 COMBO CARDS** – Scan for AR effects, unlocks, and powerful in-game abilities.
- 1 TRIBUTE CARD** – Scan your unique card and share it with your friends. The more you share it, the more powerful it becomes.

TROUBLESHOOTING TIPS

- If your Hero does not pair with the game, check that your FusionCore is charged and inserted fully into the back of your Hero.
- If your weapon isn't registering, check that it is properly connected into the port on the Hero's hand.
- For additional troubleshooting tips and gameplay information, visit lightseekers.com
- To return your FusionCore to its factory settings set the On/Off switch to the "I" position while holding both trigger buttons down. Keep the trigger buttons held until a tone is heard. This will take 10 seconds and the lights on the FusionCore will stay on throughout. Set the On/Off switch "O" and then "I" again and your FusionCore will be reset.
- For product related issues, contact Customer Support at: cs@tomy.com or 1-800-704-8697
