Change in identification of equipment

We Clarion would like to change supply C B radios to two customers. Both of the CB radios are identical except for the customer's name and the type designation on the label. We state the items below.

- (1)The original identification used on the equipment prior to change in identification is  
AX292AJC214R
- (2)The data of the original grant of the equipment authorization is submitted.
- (3)The original type approval number assigned by the Commission is not yet assigned.
- (4)Both of the CB radios are identical except for the customer's name and the type designation on the label.
- (5)The data previously filed with the Commission continues to be representative of and applicable to the equipment bearing the changed identification.

Yours very truly,

Clarion Co., Ltd.
