Authorization Letter for J. Assy's Class II Permissive Change for FCC ID: 2AD66-RF2401F20, Granted on 02/12/2015

To Whom It May Concern:

We, NiceRF, give permission to the J. Assy company to apply for their Class II Permissive Changes against our original FCC ID: 2AD66-RF2401F20.

The changes comprise the use of a different antenna type with a different antenna gain.

Please contact me if you have any questions or need further information regarding this application.

Sincerely,

Helen Hou
