RE: Request for Change in ID

< SHENZHEN JIUHU TECHNOLOGY CO., LTD > Original FCC ID: <2APRE-JH-919>

Original Grant Date: <12/15/2023>

< Boompods EU Sp. z o.o > New FCC ID: <2A36Q-HPPRO2>

To Whom It May Concern:

< Boompods EU Sp. z o.o > verifies the equipment bearing the modified identification does not differ from the original equipment, there are no differences in terms of both hardware and software. The only difference is branding: the original equipment carries < SHENZHEN JIUHU TECHNOLOGY CO., LTD > brand, the equipment bearing the changed identification carries < Boompods EU Sp. z o.o > brand.

The original test results continue to be representative of and applicable to the equipment bearing the changed identification.

If you required any additional information, please contact us.
