

VN2000 Bill Acceptor Combo Front, Side & 4 in 1 Bezel Kit Installation Guide

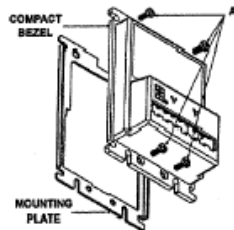

General Information

The combo bezel kit has been designed to add a credit cards reader to a Series 2000 bill acceptors.

The combo bezel replaces the compact bezel.

To remove the compact bezel:

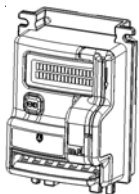

1. Remove four phillips screws (A) located on the front of the bill acceptor. Remove the bezel and mounting plate.

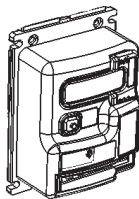

Combo bezel installation

2. Place the combo bezel on the bill acceptor and install the four screws.

Be cautious not to pinch or damage the bezel cable when installing the combo bezel.
