EUT View 9	 A black rectangular device with a fine mesh texture on its front face. A black cable is connected to the bottom center. The device is placed on a light blue surface next to a black L-shaped ruler. The ruler has white markings in millimeters and centimeters. The device's width is approximately 100 mm and its height is approximately 60 mm.
EUT View 10	 A black rectangular device with a fine mesh texture on its front face. A black cable is connected to the bottom center. The device is placed on a light blue surface next to a black L-shaped ruler. The ruler has white markings in millimeters and centimeters. The device's width is approximately 100 mm and its height is approximately 60 mm.

EUT View 11	 A black rectangular electronic device with a fine mesh grille on its front face. A black cable is plugged into the left side. The device is positioned vertically next to a black ruler with white markings. The ruler shows measurements in centimeters (0 to 100) and millimeters (0 to 10). The device is approximately 10 cm high and 5 cm wide.
EUT View 12	 A black rectangular electronic device, similar to the one in View 11, but with the cable connected to the top edge. It is placed next to the same ruler for scale. The device is approximately 10 cm high and 5 cm wide.
