Description of Permissive Change

The application is an FCC Class II Permissive Change for adding a certified module (FCC ID: R68OQ845US; Grant issued date: 01/04/2023) into a new portable host - Field Interviewer HD (Model: 1100, Brand: StarWitness) with Chip antenna, as documented in this filing.

Module power settings are based on original except for 5G WLAN B4 (UNII-3), which is reduced via software for this specific host (non-configurable by end-user).

The modules mentioned above has been approved and is electronically and mechanically identical to the original instructions and requirements. Except for the changes mentioned above, no other modification is performed.
