

REVISED THAT LABEL WILL BE ATTACHED TO THE TRANSMITTER PER FCC REQUEST:

Below is the drawing of the revised FCC ID label. This Label will be located on the bottom of the transmitter unit in the location as shown on the label location photo.

FCC ID: DMORS99SA

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Sennheiser will use a label with the above language to satisfy the requirements of Section 15.19.
