To whom We, **SENWA MEXICO,S.A.DE C.V** state that our device, **FCC ID: 2AAA6-S6000**, has a non-detachable battery, it is visible to the users as they purchase the products and install TF card or SIM cards. The back cover can be moved away, there is not enough space to print FCC ID label in surface of products, so the label has to be placed on battery surface.

Sincerely,

A handwritten signature in black ink, appearing to read "Roberto Fregoso". The signature is written in a cursive, flowing style.
