Solder Board-Component View 8	 A photograph showing a green circular component with a central hole and four solder points, resting on a blue textured surface. A black ruler with white markings is placed below the component, showing measurements in millimeters. The ruler is oriented vertically, with the 0 mm mark at the top and the 100 mm mark at the bottom. The component is positioned between the 10 mm and 20 mm marks.
Antenna View	 A photograph showing a white antenna cable connected to a green circular component. The cable is coiled and extends upwards. A red rectangular box highlights the connection point. A red line points from a label "433.92MHz Antenna" to the connection point. A black ruler with white markings is placed below the component, showing measurements in millimeters. The ruler is oriented vertically, with the 0 mm mark at the top and the 100 mm mark at the bottom. The component is positioned between the 10 mm and 20 mm marks.
