Date: April 11th, 2002

Gentlemen:

Cirronet Corporation respectfully requests confidentiality of certain materials provided with the submission of there products in accordance with FCC Regulations 0.459. The confidentiality request applies to the schematics, theory of operation, and block diagrams contained in Sections 4 & 6. The product has been developed at considerable effort and expense by Cirronet Corporation. These items are considered as Trade Secrets and therefore public access to the proprietary material could possible result in duplication of equipment that could severely damage the company's business advantage.

I appreciate your assistance in this matter.

Sincerely,

Name: Mark Tucker Signature:
