Re: Request for Grant Dismissal

Reference: FCC ID: N7NHL78

To Whom It May Concern:

It has come to our attention recently that the test reports submitted to the Commission for the certification of FCC ID: N7NHL78 contain incorrect measurement data due to the errors in test procedures. Incorrect RBW settings were used for measuring band edge emissions in Band 12, Band 13 and Band 26.

To preserve the integrity of our FCC filings, we would like to request the Commission to dismiss the grant issued on June 6, 2019 as well as the subsequent C2PC grant issued on April 1, 2020. We confirm that no product bearing FCC ID: N7NHL78 has been sold or shipped to the US or anywhere in the world.

Sincerely,

Ying Wang
Sr. Manager, Regulatory Compliance
