Ref: FCC Class II Permissive change for FCC ID: 2ANQY-HXGW900

Applicant: Digi International Inc.

Dear Examiner,

This is to request a Class II Permissive change for FCC ID: 2ANQY-HXGW900 originally granted on 01/08/2020.

The change under this application is for the following reasons:-

We attest that the radio module remains unchanged and is electrically identical to what was certified, the only change being the co-location and simultaneous operation with an LTE Cat 1 radio module, EC21-A MINIPCIE, FCC ID: XMR201606EC21A.

We attest that the certified device will not be capable of ad-hoc mode operation outside of the grant conditions.

Sincerely,

A handwritten signature in blue ink that reads "Bradley A. Ferguson".

Name: Bradley Ferguson

Title: Principal Electrical Engineer
