

## Active Safety BT Muff - Instruction

## Instructions

### Proper fit

Place the headset over the head and secure the muff cups over each ear. Adjust the headband to ensure a secure fit.

### Power On:

- Turn the power on by pressing ON/OFF button for 2 seconds

### Volume Control:

- Press volume control + to increase or - to decrease

Audio Input Jack:

- Plug in a standard 3.5mm male connection cable to connect your device.

Power Off:

- Turn the power on by pressing ON/OFF button for 2 seconds

The multi-color LED will turn on for 10 seconds after power on, with the following color scheme for battery indication:

Green: Battery is between 30% and 100% capacity

Yellow: Battery is between 15% and 30% capacity

Flashing Red: Battery is between 0% and 15% capacity

When the unit is plugged in and charging, the LED should be solid red.

When the unit is plugged in and fully charged, the LED should be solid blue green.

USB Charging voltage/current: Input 5V DC, 1A

## Bluetooth

- By pressing and holding the BT/power button from the powered off state for 5 seconds, the unit will enter Discoverable Mode. In this mode, the unit will advertise itself and allow itself to be paired to a new device.

- The LED will alternate flashing Blue and Red.
- Discoverable Mode will timeout after 180 seconds and re-enter Connectable Mode.
- "Pairing" voice clip will play.
- The advertising name will be: Active Safety BT Muff

## Paired Mode

- While in Paired Mode, the status LED will remain off
- If the device disconnects, it will enter Connectable Mode.

## Phone Calls

- To answer a call, short press the BT/power button
- To reject a call, double press the BT/power button for 1sec
- To end a call, short press the BT/power button
- During a phone call, if another call is received, double press the BT/power button to switch from first call to the second call.
- To switch back to the first call, short press the BT/power button to end the second call and it will be switched back to the previous call.

- Double press the BT/power button to redial the last phone number
- Microphone Output to Bluetooth should come from dedicated microphone in paddle.

### **Audio/Music**

- To Play music, short press the BT/power button
- To Pause music, short press the BT/power button during playback
- For Next Track, press and hold BT Vol+ button
- For Previous Track, press and hold BT Vol- button

### **BT Volume Controls**

- Short pressing the BT Vol+ button during a phone call will adjust the call volume.

## **FCC Warning**

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

NOTE 1: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

NOTE 2: Any changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

## **IC WARNING**

This device contains licence-exempt transmitter(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions:

- (1) This device may not cause interference.
- (2) This device must accept any interference, including interference that may cause undesired operation of the device.

L'émetteur/récepteur exempt de licence contenu dans le présent appareil est conforme aux CNR d'Innovation, Sciences et Développement économique Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes:

1. L'appareil ne doit pas produire de brouillage;
2. L'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

## LIMITED WARRANTY

Walker's warranties this product to the original purchaser to be free from defects in materials and workmanship, under normal use and conditions for a period of one year parts from the date of purchase.

Under this warranty, this unit will be replaced or repaired at our option. Copy of the original receipt or gift receipt, is required for any warranty service. To enact the warranty, the customer is required to contact our Customer Service Group at 877-268-8490 to receive an Return Authorization (RA) number PRIOR to sending the product back.

This warranty is void if any of the following occur:

1. The unit is not accompanied by a copy of the receipt or gift receipt from the original purchaser.
2. The unit has been tampered with, opened or punctured.
3. The unit has been immersed in water or other liquids, allowed to be filled with dirt or dust, or otherwise physically abused.
4. The one year limited warranty has expired. Please inquire about other options from your Customer Service Representative.

This shall be the exclusive written warranty of the original purchaser and neither this warranty nor any other warranty, expressed or implied, shall extend beyond the 12-month period listed above. In no event shall Walker's, Inc. be liable for consequential property damage, or consequential personal injury. (Some states do not allow limitations on implied warranties or exclusions of consequential damages, so that these restrictions may not apply to you). This warranty gives you specific legal rights, and you may have other rights, which vary from state to state.
