To Whom It May Concern:

AeroComm was acquired by Laird Technologies and is now a business unit of Laird Technologies. AeroComm's legal name is still AeroComm. They will continue to use AeroComm's Grantee Code for all FCC filings. Some documentation will reflect the Laird Technologies brandings.

Sincerely,

A handwritten signature in black ink that reads "Daniel E. Waters". The signature is written in a cursive style with a large, stylized "D" at the beginning.
