

Description of Permissive Change

The application is prepared for FCC Class II Permissive Change. The differences compared to the original certificate (FCC ID: I4L-GRAX66, Grant Date: 11/08/2022) are:

1. Changing antenna cable routing, and
2. Changing channel output power, and
3. Adding 2nd source PCBA manufacturer.

Both devices, original and updated versions, are electrically identical in all aspects except for the differences mentioned above.
