Subject: Request for Permissive Change – FCC ID 2BCFHWW2000

Dear Sir/Madam,

We are submitting this request for a permissive change for our product under FCC ID 2BCFHWW2000, in accordance with FCC regulations. The modifications made to the device comply with the requirements for a permissive change and do not alter the fundamental operating characteristics or compliance with FCC rules.

Description of Changes:

1. **[Change 1]** – SW revisions.
2. **[Change 2]** – Added Ferrite Bead on SPI control cable to suppress unwanted radiated emissions.

These changes do not impact on the device's RF parameters, emissions profile, or overall compliance with FCC regulations. Supporting documentation, including updated test reports, is enclosed for your review. Please let us know if any additional information is required to facilitate the processing of this request. We appreciate your time and consideration.
Best regards,
