**Subject: Permanent Confidentiality Request**  
FCC ID: 2AVDM-Ø2

Pursuant to CFR 47 Sections 0.457(d) and 0.459, Lattec I/S request that the following information, provided to support the FCC application for the NFX MUX, FCC ID: 2AVDM-Ø2, to be held permanently confidential:

- Schematics
- Block Diagrams
- Parts List
- Operational Description

The above material contains detailed descriptions of a new type of device. It contains trade secrets not customarily released to public that are judged to have the potential to cause detriment to the applicant and provide unjustified benefits to its competitors. This information should not be available for public disclosure for an indefinite period of time.

If you have any questions, please contact us.

Sincerely,

John Slaaby
