Title: **Declaration of Differences between VA-IH009/VA-IH006 for different brand names (VAVA, Teble, FAKEME, Amyneo and miroir)**

Dear Sirs,

To cope for the buyer's requested, We, *Alford Industries Ltd.* declare that the new model **VA-IH009** are equivalent to the previous tested model **VA-IH006** except

1. A coating will be applied on the lens of the Camera to provide the IR-Cut function
2. Software feature added to provide on/off function of (1) mentioned

We also declare that the electrical circuit, components using and enclosure using of the aforesaid model are identical.

Except the opening screen icon, the hardware and software of **MR-IH001/TB-IH002** and **MR-IH002/TB-IH003** are same as **VA-IH006** and **VA-IH009** respectively. To avoid confusion, please note the table for summary of brand names and respective model names.

VAVA	Teble	FAKEME	Amyneo	Miroir
VA-IH006	TB-IH002	VA-IH006	VA-IH006	MR-IH001
VA-IH009	TB-IH003	VA-IH009	VA-IH009	MR-IH002

We will response to any queries arose from the aforesaid

Thank you very much for your attention

Best Regards
