RIGHT VIEW OF EUT

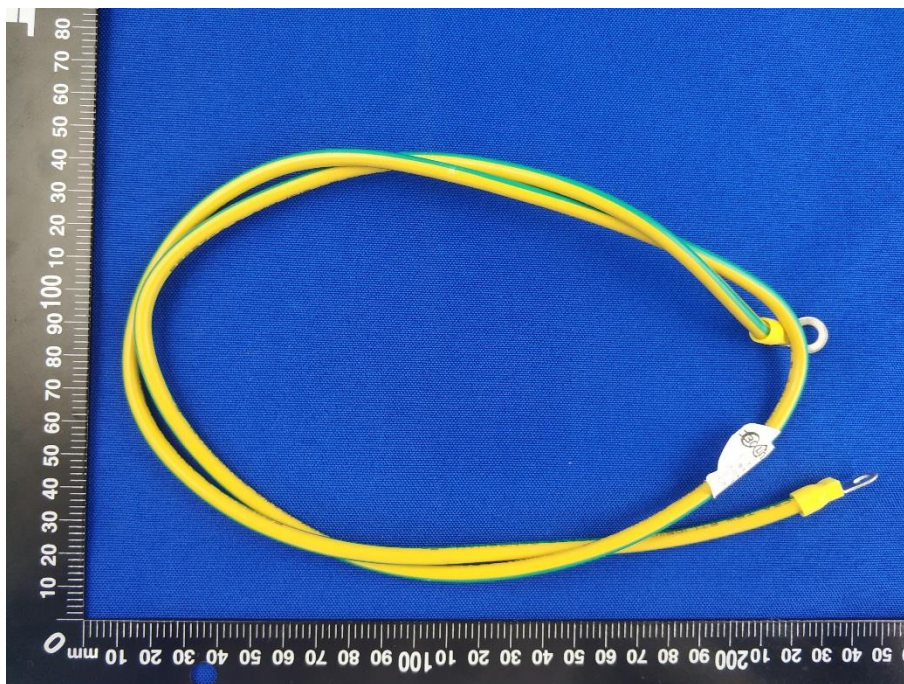

A photograph of a silver, rectangular Lierda module, likely a GPS or GNSS receiver, resting on a blue surface. The module has a ribbed top cover. On the left side, there are two SMA connectors. On the right side, there are two BNC connectors. A white label on the top cover contains the Lierda logo, a QR code, and technical specifications: "Model: L107-01", "Firmware: V1.0.0", "GPS Module", "L107-01". A black cable is connected to the right side of the module. Two rulers are visible for scale: one at the bottom showing centimeters (0 to 100) and millimeters (0 to 10), and another on the left showing inches (0 to 6).
